LoJack SafetyNet is a search and rescue service offered for people at risk who may wander or become lost. In addition to LoJack SafetyNet's comprehensive offering which includes free equipment and search and rescue training for public safety agencies, our equipment is also offered to agencies through Project Lifesaver International. In order to provide information on agencies that offer search and rescue service across the country, below is a list of LoJack SafetyNet agencies as well as Project Lifesaver agencies. Project Lifesaver agencies may not be listed in full. For further information on participating agencies through Project Lifesaver International, please contact Project Lifesaver at 1-877-580-LIFE (5433). Terms of service for agencies enrolled through LoJack SafetyNet and Project Lifesaver vary.

Agencies marked in red represent LoJack SafetyNet agencies. These agencies have been given Search and Rescue Receivers from LoJack at no cost and have been trained on search and rescue procedures. Participating in the LoJack SafetyNet service through one of these agencies requires clients to enroll in the program through LoJack SafetyNet. There is a one-time enrollment fee of \$99 and a \$30 monthly fee. For more information call 1-877-4-FIND-THEM (1-877-434-6384).

The remainder of the agencies listed are Project Lifesaver agencies. While most of these agencies utilize LoJack SafetyNet search and rescue tracking equipment, they may offer terms of service that differ from those of LoJack SafetyNet agencies. For further information regarding these agencies, please contact Project Lifesaver at 877-580-LIFE (5433).
